

2019-20

At FCC, we're more than a business.

As the only lender 100% invested in Canadian agriculture and food, we're passionate about helping the industry succeed.

This is a snapshot of our 2019-20 CSR performance. Get the full story at fcc.ca/CSRreport.

We contribute to the strength and future of the agriculture and agri-food industry

\$3.92 billion to young producers through various loan products

\$674 million through FCC Women Entrepreneur Loan

13,528 people attended FCC events

1,442,198 views of e-learning videos, podcasts and webinars

#CdnAgDay trended **#1 for 10.5 hours** on Canada's Agriculture Day

169,845 distributed copies of *Rooted in Strength*, our mental health publication

We partner to reduce hunger and enrich rural Canada

16.2 million meals raised through FCC Drive Away Hunger

3,566 hours of corporate-sponsored volunteer time to organizations that need support

700 post-secondary students trained in agriculture safety

\$385,700 invested in education in agriculture including 4-H Canada, Encounters with Canada and Agriculture in the Classroom

307 tonne reduction of greenhouse gas emissions

80% of FCC AgriSpirit funding were for sustainability projects across Canada

553 trees reforested through the PrintReleaf program

We operate sustainably and support our customers to do the same
