

Transition conversation starters

Your values and tolerance for risk help you make decisions for the farm. What's important to you? How do you want to operate? What's your vision for the farm?

It's important to talk about goals and create a plan everyone is committed to. Here are some key questions to get the conversation started.

How it works

Use the dropdown options to rate each value statement:

- 1 – Critical
- 2 – Important
- 3 – Not important

Once completed, discuss your answers. Be open and honest about any differences in opinions.

Use the follow up questions (🔗) to coordinate the management of farm resources as you develop your transition plan.
